TECHNICAL SKILLS

- * Programming Languages: Python, JavaScript, HTML5, CSS3, SQL
- * Frameworks & Libraries: Django, Flask, React.js, Vue.js, Tailwind CSS, Bootstrap
- * Tools & Platforms: Git, Docker, Jenkins, Postman, Selenium
- * Databases: MySQL, PostgreSQL, MongoDB
- * Cloud Services: AWS (S3, Lambda), Azure, Google Cloud

SOFT SKILLS

- * Problem-Solving and Critical Thinking
- * Effective Communication and Collaboration
- * Time Management and Prioritization
- * Adaptability in Fast-Paced Environments

CERTIFICATION

Creative IT

Web Design And Development

Dec 2017

NSDA

Python L4 Django Developer

Nov 2024

LANGUAGES

- * English: Fluent
- * Hindi: Fluent
- * Germany: Level A2
- * Bangla: Fluent

INTERESTS

- * Open-source contributions
- * Exploring emerging web technologies
- * Data analytics and visualization
- * Participation in hackathons and coding

MD SHARIUL ISLAM SAGAR

PYTHON DEVELOPER

A dedicated and detail-oriented Web and Software Developer with 2 years of experience specializing in Python, web development, and scalable software solutions. Proficient in building responsive web platforms, integrating APIs, and leveraging modern frameworks to deliver high-performing applications. Adept at collaborating in agile environments to achieve project goals efficiently.

EDUCATION

Bachelor of Science in Physics
National University,Bangladesh

Jan-2016 To
Dec-2022

Graduated: May 2023

EXPERIENCE

Software Developer

IT WEB PARK

Jan-2022 To
May-2024

- * Designed and developed scalable web applications using Python frameworks such as Django and Flask.
- * Implemented RESTful APIs and GraphQL for seamless integration with external services.
- * Enhanced application performance by optimizing database queries and implementing caching strategies.
- * Collaborated with frontend developers to create dynamic user interfaces using React.js and Vue.js.
- * Conducted code reviews, unit testing, and debugging to maintain high-quality software.

Web Developer

Rajshahi Computer Prosikkhon Kendro

Jun-2018 To
Dec-2021

- * Built and maintained scalable web platforms using HTML5, CSS3, JavaScript, and Python.
- * Integrated third-party APIs for enhanced user experience and business functionalities.
- * Conducted performance testing and debugging to ensure optimal website performance.
- * Worked closely with designers to align development with visual design requirements.

PROJECTS

- * Designed and developed a fully responsive portfolio website using HTML5, CSS3, and JavaScript to showcase projects and achievements.
